

Computational Engineer - 3D / Robotics - (M/F)

for permanent employment

YOUR JOB

- Design and develop robust algorithms for simulation of Industrial Robotics in production environments.
- Design and develop necessary data structures and algorithms/optimization.
- Collaboration with cross-functional teams for delivering quality products.

career@eks-intec.in

OUR REQUIREMENTS

- Basic
- Self-motivated individual with abilities to provide innovative solutions.
 - Willingness to work hands-on in design and development.
 - Proficient experiences in 3D computational maths involving Industrial Robots like KUKA, Stäubli, ABB, Fanuc, Comau etc.
 - Highly proficient in data structures and algorithms/optimization using C++ or/and C#.
 - At least 3+ years of practical experiences in one or more of the following: Kinematics, Collision detection, path planning etc.

- Desired
- Practical experiences in Industrial Robot Compilers and ROS.
 - Manufacturing process and simulation for production environments.
 - New product design and development experiences and know how.
 - Exposure to one or more industries (like Automotive, Medical, Aerospace...).
 - Collaborating and communicating with cross-cultural and cross-functional teams.

WHY EKS InTec India

EKS InTec is a world leader in virtual commissioning of simple to complex production plants and is providing Engineering solutions to global customers for production processes of tomorrow.

As a part of flexible, dynamic and motivated company, you will design and develop software for the digital future enhancing tomorrows mobility. This would mean you will have innovative opportunities and create an impact to shape up the future of innovative planning, analysis & predictive maintenance of global production plants.

Moreover EKS InTec offers world class new product development and long term career opportunities. We also offer benefits and rewards to our employees as listed on our website www.eks-intec.in.

QUALIFICATIONS

Master's Degree/PhD in Mathematics, Physics or Computer Science or Electronics related degree from a reputed college

EXPERIENCES

Around 4 - 10 years

APPLY NOW

If we have convinced you, then please apply via e-mail to career@eks-intec.in We look forward to receive your application.
